

Cathy's

Canada Quilt
Celebrating 150 years of
Confederation

TIP: If you are unsure about value, take a photo in black and white or convert your photo to black and white. Seen this way you can only see value, not colour. Any variations in value should jump out at you.

Canada!

- 2.** Piece your scraps together improvisationally. Take two similar sized pieces of fabric and sew them together. Make a few pairs like this. Press (open or in any direction). Take those pairs and sew them together. Alternatively, add a third piece of fabric. Continue to add fabric and sew together pieces until your slab of fabric reaches 13" by 14". Press well. Make another slab that measures 11" by 11" press well.
